by Dr. H.D. McCarty
 President

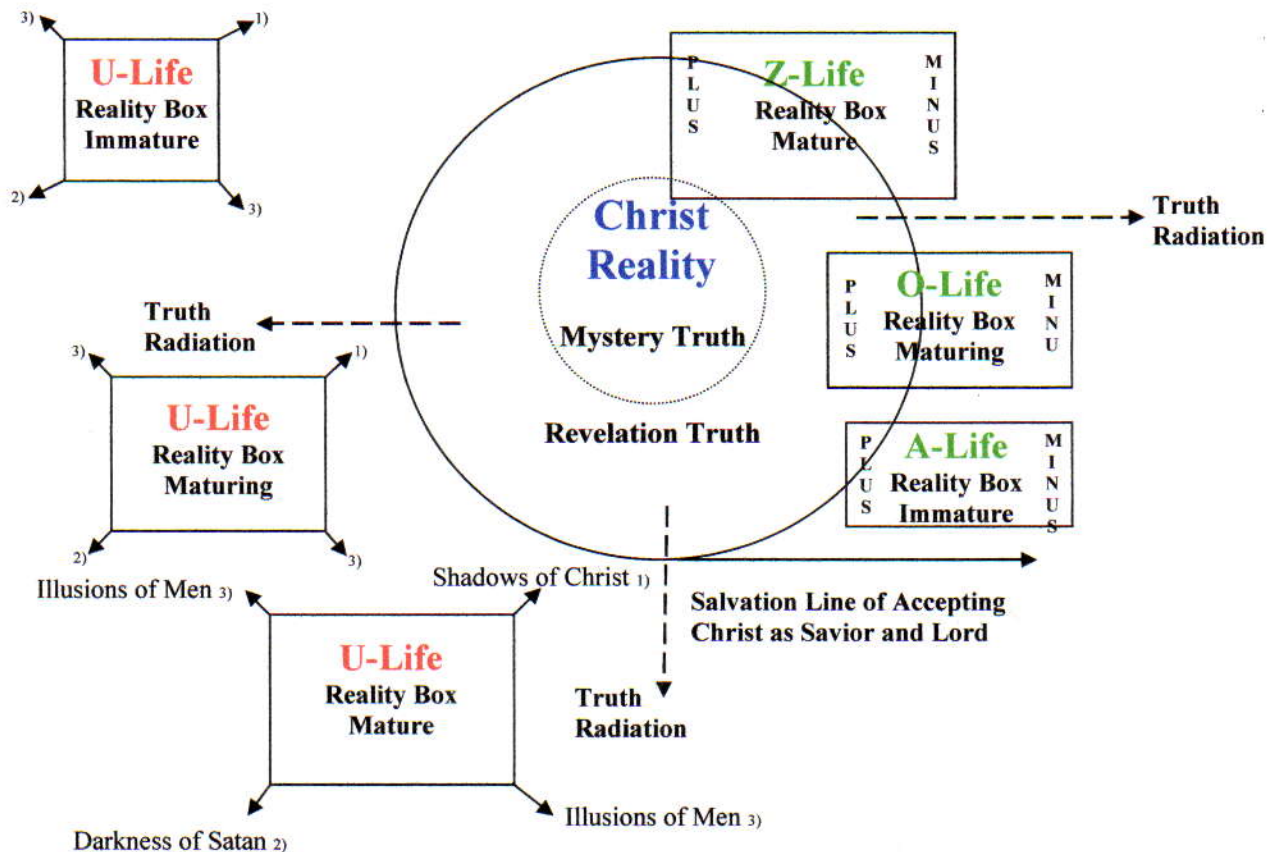

We all live in "Reality Boxes" (our little worlds) that limit and diminish us to the degree they are not "put" into the Father's "Reality Circle" (His eternal purposes) in Christ. His Sovereign Reality Circle contains His purposes and plan for each of us. The more we "put" our perceived and partial reality into the Father's mystery and revealed reality the more we "put on Christ Jesus" (Rom. 13:14) ... and demonstrate the Christ Life. The more the V Marks habit fills our hourly living the more quickly we are transformed into ambassadors, agents and persons of Messiah Love! (We become repeaters of His life as we walk the earth — John 20:21.)

Each Believer is given a measure of faith by God. That measure or capacity or giftedness differs for every one of us (Rom. 12:3-8). We must assess who we are, what we have and where we are on a continuous basis. Once that attempt is made we can prayerfully adjust and position ourselves increasingly toward the heart and will of Christ. The more we regularly "put" in Christ what we are now ... either the U, A, O or Z-Life ... then the faster we grow in becoming like Him!

The goal is to bring your flawed Reality Box ... that which you "think" is real and relevant ... into harmony with God's Reality Circle of total truth ... that which He knows is real and significant (glorious)! The more of you give to Him the quicker and fuller you sense the more of Him already in you. This is the process that turns you into an example of and force for Messiah Love! Living out Colossians 1:24-29 is one great definition of Messiah Love. Ponder well Paul's heart in these verses. It is his ambition and passion to be Jesus to everyone who touched his life. Such a life vision is wildly impossible unless we allow the Savior total freedom to live out His life within us. This means we must understand the precision of how the Christ Life works and what we must do to "put" ourselves in the flow of His living water (John 7:37-39).

God's Reality Circle of Mystery/Revelation

"... the reality of things is found in Christ." (Col.2:17)

Mankind's Reality Boxes of Illusion/Darkness

"They exchanged the Truth of God for a lie." (Rom. 1:25)
