NO MATTER WHAT HAPPENS ON EARTH ... NO MATTER WHAT CIRCUMSTANCES ARE YOURS ... IN CHRIST YOU CAN LEARN THE FIVE SOLUTIONS FOR EVERY "ISSUE" ... THE MEANING AND MASTERY OF EVERY MATTER! "COME ... LEARN OF ME ..." (Jesus in Matthew 11:29) You will not learn "it all," but you can learn "enough" to overcome "all" that comes into your life. We can possess His glorious release from each and every earth burden and bondage when we authentically recognize that our main purpose in being alive is to become like Jesus Christ! This means "identification experience" with His incarnation, crucifixion, resurrection and exaltation! As we give "cross pursuit" to this daunting ambition, we can personally experience His transcendent and transforming Presence! This means increasingly grasping the hard cross lessons as well as the resurrection deliverances that will bring authentic reality into our daily duties, deeds and desires. Our Heavenly Lord will make it clear how He is our immediate answer and/or solution to every earthly matter! Once our life focus is to be His cross servant with His power answers, we experience a deeper awareness of His Presence and are enabled to share His Wondrous Promises with others! (Isa. 53:10-12) Being "with Him because He is with you" is the ultimate purpose event of existence on this earth! "Surely, I Am with you always to the very end of the age!" (Matt. 28:20b)

We Learn that the Father has **ALLOWED** "every Matter" in Mercy (Romans 11:32)

We Learn that we are to **ACCEPT** "every Matter" by Faith (Hebrews 11:6)

We Learn that we should **ADJUST** to "every Matter" through Praise (II Corinthians 7:4)

We Learn that we can then **ANSWER** "every Matter" with Power (I Peter 3:13-17)

We finally Learn to be the **AWARE** in "every Matter" of His Presence (II Timothy 4:16-18)

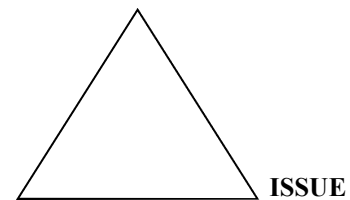

The Four Constants About Every Matter ^(Footnote 1)

1. When you ask disheartened people "What's the matter," ask them also ... always ... "What do you think is the Master's eternal purpose for you in this temporary matter?" He always has one!
2. "Unless and until the Lord's desires and purposes matter the most to you, nothing else in your life will ever matter as it should or could!"
3. "Brokenness in prayer is the answer to everything ... for it brings God into the matter!" (Mickey Bonner) Brokenness is the "heart hearing" of the Master's Voice (truth) about your reality (self) and that of the world (issues) around you. It is seeing yourself as the Lord sees you! True prevailing prayer is having honest conversations with the Savior, finding His Mind and then yielding to His Voice!
4. The Lord's plan for you to bring Him significance and glory is to become His Disciple of Proof! By your reaction to every positive or negative, every delight of disaster, every pleasure or problem, etc., Cross Disciples prove to others as well as to themselves that the Father is always bigger and superior to earth's best or worst! Earth events are temporary, secondary and even sometimes irrelevant when matched with the Savior and His message of the eternal! We "prove," or at least give evidence, that Christ is Lord when we demonstrate the Five Solutions (S⁵) in our living!

Applying Triune Thinking to the Five Solutions

God Allows in Mercy

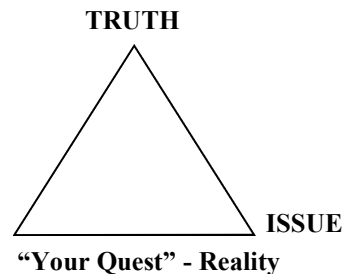

A "Matter" comes into our lives; we will call it an ISSUE. Our most basic understanding about this "Matter" is that the Father has **ALLOWED** it in His sovereignty for good to become an **ISSUE**. He has done so ... either through blessing issues or buffeting issues ... either in a joy issue or a suffering issue ... in order that He can pour His kind of love into our hearts! (Rom. 5:1-5) Nothing is allowed without His overview ... even evil. He knows He can and will ultimately transform it all into His glory. Every issue can be a beginning point for redemption.

"Your Challenge" - Responsibility

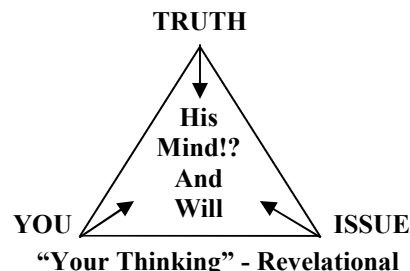

We Accept by Faith

You have three options in how to deal with your current Issue(s) in life. You can either 1) **ACCEPT IT BY FAITH** or 2) **FACE IT IN THE FLESH** or 3) **LIVE IN DENIAL** that it exists. Only when you do **ACCEPT** by faith that it was **ALLOWED** by the Father can you find His specific purpose for yourself in His will. You do this by seeking, discovering and embracing more of His **TRUTH** as revealed by His Spirit, the Scriptures and yielded thinking! (Rom. 4:18-25)

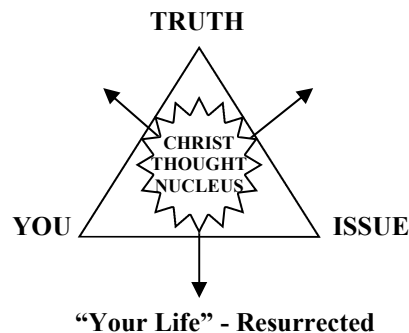

We Adjust through Praise

Once you **ACCEPT** your **ISSUES** correctly (Allowed by the Father) and you have recognized the Father's **TRUTH** about the matter (by faith) your attitude is really changed! (Phil. 2:5-11) Matter His love allowances and your faith acceptings enable you to **ADJUST YOURSELF** to both of them in **PRAISE** as His will becomes clear and compelling to your heart! The three creation realities (issue, truth and self) become one and purposes the reality of the Creator's Mind! (Rom. 8:28-39) This is the most pure, true and noble passion of the Cross Disciple Praise that results from seeking His is our highest empowerment! "Blessed are the pure in heart, for they shall see God!" (Jesus in Matt. 5:8)

We Answer with Power

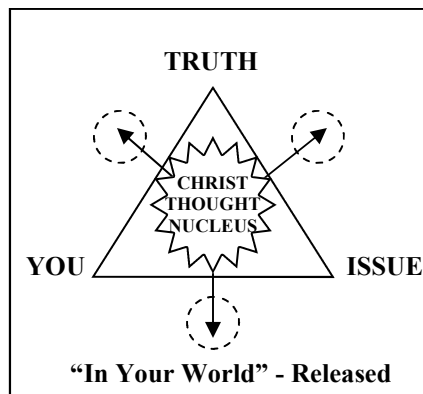

The balanced merging of the issue, the truth and the self results in the creation of a single Triune Thought decision which will yield a spiritually empowered **ANSWER** to each of our issues. We call this a **Christ Thought Nucleus**. You are enabled to comprehend life with the Mind of Christ and discover the freedom to express His Heart and Desires to others! The "grace and truth" of His Mind in your mind energizes and directs your attitudes and actions! (Rom. 8:9-21; John 1:14-18)

We are Aware of His Presence

Once Christ Thoughts begin to dominate your thinking you fill your **Little World** with the fragrance of eternal **POWER ANSWERS** to all your temporary earth issues! You possess the "grace and truth" that reflects the Mind of Christ. You spread the seed of the knowledge of Messiah in your own little world as you manifest the splendor of His live and overcoming. (II Cor. 2:14-17) You live your life in the reality of His Presence: "I Am with you always!" (Matt. 28:20)

*"You are the light of the world ... to show others how to **ACCEPT** what I have **ALLOWED** by **ADJUSTING** to it and **ANSWERING** it in such a way that others will see your praise power actions and the compelling significance of the Heavenly Father! Let the light you have shine impactively on others so that they can see **MY Glorious Desires** and be **AWARE** of My Powering Presence!"* (Matt. 5:14-16, HDM)

Footnote: 1. Matter is a very descriptive word. It is defined as substance, entity, stuff, concern, issue, episode, incident, situation, context, theme, topic, complication, perplexity and at least a dozen more. To the degree our Creator-Redeemer-Perfector Godhead is in the midst of all that matters to us, we come alive! To the degree He is not in our thinking we move our lives toward wickedness ... the idea that God doesn't matter! To be "wicked" is to live life without serious regard for God. Wickedness is much deeper than acts of evil. It is to possess an attitude that the Creator God isn't essential or critical to one's life. The resulting frustrations, illusions and confusions bring a gnawing sense of emptiness, wasting away and futility into our lives. "Nothing increasingly" seems to matter! There exists a subtle panic to find significant meaning beyond human possessions, thrills and status. This is why "bringing God into the matter" is critical. It is the only way we can see and embrace pure reality and be delivered from the consequences of the Edenic fall! To eat from the menu of the Creator is to bring truth into our earth matters, and we live. To eat from the menu of the snake is to pursue the lie, and we slowly die! Don't fool yourself, many wicked people go to church. They hear the words of God's shepherds, but refuse to regard them. (Ezek. 33:30-33) We "bring God" into our matters when we become Triune Thinkers, and submit ourselves to His Five Solutions (S⁵) for handling life in an overcoming way ... even as He did! 2 (John 16:33)
